

Propane Hammer-In Signup/RSVP
CDBA April 15th, 2007
11:00am until "it's done".

Name(s): _____

Number attending: _____

Optional Contact Info (Phone/Email): _____

Attendance is **free**, however if you wish to participate in the hands on portion of the hammer-in (in other words build a propane forge) the price for a kit will be in the range of \$40-\$60.

Kit fee can be paid in cash or check to Doug DeLurey **on the 15th at the Hammer-In.**

Please send RSVP form to: CDBA c/o Sarah Ritchie at address in "Directions" below.

OR call the number below

OR email "contact@cdblacksmiths.org"

Directions to Knife Making Hammer-In

11:00 until "it's done"

35A State St.

Valley Falls, NY 12185

518-665-8308(h) or 518-429-5270(c)

- Use your best route to Rte 7 East & the Collar City Bridge in Troy.
- From the base of the bridge get in the leftmost lane. Go to the next light and turn Left onto Rte 40 North (Oakwood Ave).
- Follow Rte 40 North out of Troy and to Schaghticoke (approx 7-9 miles). Some landmarks on the way will be in order of passing: dual Cemeteries [one on either side of the road], Rte40 Takes a dogleg [quick Right, then quick Left], Speigeltown hamlet, Grant Hollow hamlet, Melrose hamlet, Hoosic Valley Rescue Squad.
- Just outside of Schaghticoke Rte 67 merges with Rte 40 at light. Follow 67&40 through Schaghticoke until 67 breaks away and heads East.
- Turn Right onto Rte 67 East. Follow 1 mile until you cross a bridge. At the end of the bridge Rte 67 turns Left GO STRAIGHT.
- This is State St. Valley Falls. We are #35, on the Right hand side. It's a big tan & brown house with a matching barn set behind. Parking in the driveway and out front are fine. Additional parking may need to be sought on the side streets on the Left. There are no parking restrictions on any of these streets; simply find a spot.
